FIRST ORDER OF BUSINESS

Organizational Matters

Call to Order and Roll Call

The Board of Supervisors Meeting for the Silverleaf Community Development District was called to order at 1:00 p.m. Ms. Ripoll proceeded with roll call and confirmed quorum. Those in attendance are outlined above.

Public Comment Period

There were no public comments.

SECOND ORDER OF BUSINESS

General Business Matters

Consideration of the Minutes of the May 5, 2025, Board of Supervisors Meeting

The Board reviewed the minutes. It was noted any recommended changes by District Counsel will be made prior to being placed on the website.

ON MOTION by Mr. Powell, seconded by Mr. Gressin, with all in favor, the Board approved the Minutes of the May 5, 2025, Board of Supervisors Meeting.

**Consideration of Resolution 2025-09,
Approving a Preliminary Budget for
Fiscal Year 2026 and Setting a Public
Hearing Date**

Ms. Ripoll recommended August 4, 2025, 1:00 p.m., at the same location, for the Public Hearing.

Mr. Montejano gave an overview of the Preliminary Budget line items. It was noted the bond repayment is reported in the Debt Services Budget. The residents get a notice of both the Debt Services Budget and the Operating and Maintenance Budget. Mr. Montejano stated about 75% of the assessments have been collected. He also noted there was about a 10-15% increase for insurance.

There was brief discussion regarding the District Management fee. The line item was increased to \$44,500.00.

Mr. Montejano gave an overview of the District Engineer fee, which was noted to remain the same. He also reviewed the Disclosure Fee for the bonds.

There was discussion regarding the District Counsel fee, which included discussion on litigation against Neal for mitigation credit. Mr. Cohen has found a firm that does not have a conflict of interest, and that firm's fee is \$450.00 per hour. This law firm would review the information that the Districts has and give their recommendation to the Board.

Mr. Gressin noted the majority of the community does not want to litigate. The Board discussed and agreed not to pursue litigation. It was noted District Counsel fees within the budget would remain the same.

Mr. Montejano continued review of the preliminary budget line items. The Office Supplies line item was changed to \$0.00. It was noted there was a change in the Website Maintenance line item to \$185.00 a month. There was brief discussion regarding the website maintenance vendor. Ms. Ripoll noted they do a good job keeping the District in line with ADA compliance.

There was discussion regarding Pond Professionals service and timelines of billing. The Pond line item was increased to \$40,000.00. The Wetlands Monitoring line item was lowered to \$1,000.00.

Mr. Montejano reviewed the Stormwater Management line items. Mr. Gressin reviewed the recent costs related to the stormwater management. This line item was increased to \$30,000.00.

There was discussion regarding the tree removal. This line item was increased to \$20,000.00.

Mr. Montejano gave an overview of the budget number and noted assessments would increase by \$91.58 per household. The current assessment is \$205.57. This will need legal advertisement and notice to all residents. It was noted this is a not-to-exceed budget amount.

There was discussion regarding the special assessment process, the O&M assessments and trying to lower the proposed increase in assessments.

Mr. Montejano reviewed all the increases in the proposed budget that had been determined.

It was recommended to add a Hurricane line item for \$20,000.00, to clarify the residual funds. This would leave the Pond line item at \$20,000.00. This will give a better explanation for the increase in assessments.

ON MOTION by Mr. Powell, seconded by Mr. Decker, with all in favor, the Board approved Resolution 2025-09, Approving a Preliminary Budget for Fiscal Year 2026 and Setting a Public Hearing Date for August 4, 2025 at 1:00 p.m. at 3805 Shimmering Oaks Drive, Parrish, FL 34219.

Review and Consideration of PFM Fee Increase Letter

It was noted that District Management is requesting a fee increase from \$42,350.00 to \$44,500.00. The rate has been the same since 2019 and this increase is already included in the budget.

ON MOTION by Mr. Gressin, seconded by Mr. Abramski, with all in favor, the Board approved the PFM Fee Increase Letter.

Discussion of Litigation

The Board agreed to not move forward with litigation.

ON MOTION by Mr. Gressin, seconded by Mr. Powell, with all in favor, the Board approved to not pursue litigation.

Update from Pond Professionals LLC

Mr. Gressin gave an update on Pond Professionals LLC. It was noted the service, communication, and timelines has gone down in the last few months.

Ms. Ripoll has recommended another vendor who will be providing the Board a proposal at the next Board meeting.

There was a brief discussion regarding the budget for this line item.

**Ratification of Payment Authorization #
238**

Ms. Ripoll noted these are for contractual obligations.

Mr. Gressin noted he is not seeing all the monthly invoices to approve in the system. Mr. Montejano noted there is nothing in the system pending.

There was brief discussion regarding Pond Professionals billing timelines.

ON MOTION by Mr. Gressin, seconded by Mr. Abramski, with all in favor, the Board ratified Payment Authorization No. 238.

Review of District Financial Statements

Ms. Ripoll stated the financials are as of April 2025.

ON MOTION by Mr. Decker, seconded by Mr. Abramski, with all in favor, the Board approved the District Financial Statements.

This will be kept on the agenda.

Mr. Cohen reviewed the proposed expenses.

District Manager-

- **Website Update**

Ms. Ripoll stated the next meeting is scheduled for July 7, 2025, at 1:00 p.m., at the same location. She will follow up regarding the Form 1.

Summary of Bond Document Representations and Related Conclusions

Representations

- The Bond Documents state the following:
 - The Bonds were issued on February 20, 2019.
 - The Reserve Account is “reasonably required” in accordance with the Code.
 - The temporary period for the Acquisition and Construction Account is three years.
 - The Debt Service Funds are expected to meet the requirements of a Bona Fide Debt Service Fund.
 - The Arbitrage Yield is 5.560816%.
 - The Bonds were issued for the purpose of financing a portion of the cost of the Issuer’s Phases IV & V Capital Improvement Plan, including roadways, stormwater improvements, potable water distribution, sanitary sewer system, reclaimed water facilities, landscape, irrigation and entrance facilities in common areas, and professional fees and contingency; funding a deposit to the Series 2019A-1 Reserve Account in the amount of the Series 2019A-1 Reserve Requirement; and paying the costs and expenses incurred in connection with the issuance of the Bonds.

Related Conclusions

- We have concluded the following:
 - The Bonds are subject to the 1993 Regulations. New regulations or rulings that apply to the Bonds may be enacted. If so, it should be determined that the computation of the Rebatable Arbitrage Liability complies with any applicable changes.
 - The next Rebatable Arbitrage Liability Payment Due Date is April 21, 2029, assuming an Installment Computation Date of February 20, 2029.
 - The Reserve Account may be invested at an unrestricted yield.
 - Subsequent to February 20, 2022, the Acquisition and Construction Account is subject to yield restriction. We have determined this Account met the yield restriction requirements from February 20, 2022 through November 1, 2022, the last date on which unspent Acquisition and Construction proceeds existed; therefore no yield reduction payments are required as of the Current Installment Computation Date.
 - The Debt Service Funds have been appropriately excluded from the Rebatable Arbitrage Liability computation because they met the Bona Fide Debt Service Fund exemption requirements.

Assumptions

- Certain Bond documents, financial records and other materials relevant to the computation of the Rebatable Arbitrage Liability have been provided to us by various parties. Nothing has come to our attention to lead us to conclude that any of the information provided includes errors or omissions; therefore we have assumed that all information included in the materials provided to us is accurate and complete.
- We have assumed that all transaction activity provided to us is includable in the computation of the Rebatable Arbitrage Liability under the Code.
- We have assumed the financial schedules and information provided with respect to the proceeds is accurate in all respects, including dates and amounts of the cash flow transactions. We further assumed that a current cash outlay occurred no later than 5 banking days after the date on which the allocation of gross proceeds to an expenditure was made.

Conclusions

Arbitrage Yield/Investment Yield Comparison

The Arbitrage Yield is stated in the Bond Documents to be 5.560816%. The Bond Documents further state that the computation of the Arbitrage Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

The yield on the U.S. Money Market Obligations (the "Combined Treasury Yield") is calculated to be 0.102835% as shown on Schedules A-C. The Combined Treasury Yield is based on a year of 360 days comprised of twelve 30-day months with interest compounding semi-annually.

Rebatable Arbitrage Liability Expectation

The Combined Treasury Yield on the Gross Proceeds that are subject to the Rebatable Arbitrage Liability computation was less than the Arbitrage Yield during the Cumulative Computation Period, as shown above. This results in an expectation of negative Rebatable Arbitrage Liability with respect to those Gross Proceeds as shown on Schedules A-C. The results are in accordance with expectations.

Rebatable Arbitrage Liability

The Rebatable Arbitrage Liability computation results in a Cumulative Rebatable Arbitrage Liability in the negative amount of \$(1,260,404.78). Therefore no payment is due as of the Current Installment Computation Date.

Restricted Yield/Investment Yield Comparison

Based on the Arbitrage Yield as stated in the Bond Documents, we have determined that the Restricted Yield of 5.685816% is equal to the Arbitrage Yield plus .125%.

The Yield on the restricted proceeds (the "Yield on Restricted Proceeds") is calculated to be 0.005075% as shown on Schedule D for the period from February 20, 2022 to November 1, 2022, the last date on which unspent Restricted Funds existed.

Record Keeping Requirements

Records evidencing the transaction data used to calculate arbitrage rebate and yield restriction amounts must be maintained until three years after the last outstanding bond of the issue is redeemed. This report, and documentation we maintain in our files, cannot be relied upon to meet the record retention requirement.
